Ever Wonder ...?

Why does "slow down" and "slow up" mean the same thing?  
 Why do tug boats push their barges?  
 Why abbreviated is such a long word?

**Belvedere Parking Woes**

by Mary Brear

Belvedere Heights' visitors enhance our day  
 Tourists love to view beautiful Georgian Bay  
 Volunteers need a parking spot that's near  
 Staff from the country can't walk to Belvedere

The one-way street keeps many drivers confused  
 While Belview by the Bay's Parking Lot is abused  
 Parking is at a premium, it's fair to say  
 Handicapped friends must sadly drive away

Families are frustrated, stopovers deferred  
 Residents miss out on the visits preferred  
 Appointments are cancelled, professionals upset  
 There's disappointment, frustration, often regret

It's a challenge during afternoon shift change  
 For staff to report in the same time range

To park on the street; move their car later on  
 Is not convenient when the day shift has gone

Community Support Exercise makes one thinner  
 Our local seniors also enjoy crafts, or a dinner  
 It's a time for socializing, fun.....relaxation  
 But lack of parking causes exasperation

A Parkette Fundraising Drive is underway  
 Including a Park overlooking Georgian Bay

We need more spaces  
 for the community, too  
 'Sounders love to linger;  
 treasuring the view

Many wonderful friends have made a donation  
 Towards our Parking Lot situation  
 We appreciate support of the project as a whole  
 And eagerly anticipate reaching our goal

You could help us speed up production  
 (Receipts are issued for tax deduction)  
 Please stop by to contribute if you can  
 Participate towards achieving our vital plan!

Mark your calendars on **June 10<sup>th</sup>** and  
 plan participate in our **7<sup>th</sup> Annual**  
**Golf Tournament.** Proceeds will help  
 send our Residents to the CNIB Camp.  
 Call Carol 705-774-7320 for more information.

**"Belvedere" Models - Jayset Fashions**
