**Policy**

Belvedere Heights shall have in place policies to manage internal disasters.

**Procedure**

1. **CODE Grey** is the term to be used to announce implementation of procedures for a specific internal emergency.
2. The CEO/Designate during business hours will call the CODE Grey. After hours and weekends the RN will notify the CEO or manager on-call if there is an internal disaster to determine if the code brown should be called.
3. The words **CODE GREY** and **The Incident Type and Location** will be announced three times

Examples:

- *Code GREY Nurse Call System – This would mean the system is not working and implementation of emergency procedures would be required.*
  - *Code GREY Chemical Spill Laundry- This would require that staff implement procedures for chemical spill as per policy and procedures.*
4. Staff upon hearing the announcement will follow the procedures for the type of incident.
