Policy

Feeding centers, other than dining rooms, may be set up during emergency situations

Procedure:

1. The Dietary Manager, in conjunction, with the Management Team will assess the dietary needs of the residents, staff and visitors in the building and make a decision as to the best location to provide meal and nourishment service.
2. Alternate locations may include the Family Dining Room, the Fireside Lounge, the Auditorium and/or the Board/Education Room.

Emergency Nourishment shall consist of:

- Water
- Instant coffee
- Tea bags
- Sugars
- Creamers/coffeemate
- Thickener
- Individual puddings
- Fruit juices
- Disposable cups, stir stix and serviettes
