**Policy**

Belvedere Heights will have a policy outlining circumstances that may require partial or total evacuation of the facility

**Procedure**

The following list contains circumstances whereby evacuation may necessary

- Smoke or fire
- Gas leak
- Outside occurrence such as tanker explosion, train derailment, plane crash
- Major repairs-boiler explosion, electrical damage, flood, roof collapse
- Contamination of food or water supply
- Bomb threat
- Arson threat

CODE RED may already be implemented in these circumstances.
