POLICY

Code White is the term used to call for assistance and communicate the occurrence of a violent situation. Belvedere Heights has a plan in place to manage escalating behaviour or violence by residents, family members, visitors, staff or others in the facility.

The purpose of the Emergency Response Plan – Code Silver is to provide guidelines for Belvedere Heights personnel to follow during a Code Silver – Person with a Weapon.

For security purposes. Belvedere Heights’ Code white and Silver Policy will not be posted to the Home’s website. Please reach out to the Administrator should you have specific questions related to these policies.
